A Brief Book Summery

Hello Ladies and Gentlemen, Brothers and Sisters,
God bless you all in the name of our Lord Jesus Christ!

My name is Dimitry Anastasoff and I “discovered” the concept of this book in 2020 after my brief visit of Jerusalem in the Holy Land of Israel:

**UN Agenda 2030 at the
Apocalyptic End of the World**
with alternative title:
**7 Biblical reasons for the Second Coming of
the Lord Jesus Christ at the 40th Jubilee year 2030
– 2000 years after His Resurrection in 30 AD**

Yeah, you heard it right – it is a prophecy about the year-setting of the End of the World as we know it.

And YES, it is about the year of the coming of the Day of the Lord and the Rapture of the Church. This would be in fact the First General Resurrection of the living and the dead at the Second Coming of our Lord Jesus to the earth – the great Return of our heavenly Bridegroom to rule the world for 1000 years and then for Eternity without End.

The method that I am using to come up to this radical conclusion is by calculating the Biblical **Shabath & Jubilee** cycles of years (**Leviticus 25-26**) which go by every **7th year & 7 x 7th year**. This is obviously a cycle of **50 years** when we include the jubilee year in the equation.

This is indeed the legitimate Biblical system of calculating the prophetic history of Salvation according to **Daniel 9** and also in the ancient tradition of interpreting **Genesis 1-2** as literal history YES, but also as a prophecy of **6000 + 1000 years** in the messianic genealogies.

The thesis of the book: The apocalyptic events are coming very soon on our planet. We are already living in the final sabbatical (7-year) period before the Second Coming of the Lord Jesus for the establishing of His Millennial reign on earth.

You see, the uniform reactions of all the governments in the world during the last pandemic psyop (2020-2022) indicate that we are already living under the unified shadow government of the New Global Order. It is a fact of our reality even now as we're talking about it. Some would call it *The Deep State* - the devilish puppet-masters who control the banks and all the governments and multinational corporations in the world behind the scenes.

In the next months or so up to the year 2030 we will witness and experience unprecedented cataclysmic events in heaven and on earth.

The crash of our civilization will ultimately lead to realization of the Biblical prophecy about the rising of the Antichrist-Beast system which will cause the apocalyptic Great Tribulation for all nations in the world but especially for the saints of God.

This satanic regime of total control will be implemented by the mark of slavery identified by the number **666** according to **Revelation 13** by which all cash money will be replaced by digital.

The key Biblical passage on which I base the calculation that comes up to the year 2030 is the enigmatic prophecy of **Ezekiel 4** which gives us a strong clue for the year of the Second Coming of the Lord Jesus at the End of this Age.

You should be familiar with this Biblical story:

The prophet Ezekiel had to lay theatrically for 430 days in total, representing **390 sabbatical years (x 7)** for the Northern kingdom of the 10 tribes of Israel and **40 jubilee years (x 7 x 7)** for the Southern kingdom of Judah as counted from the siege of Jerusalem.

A brief Google search on *the Assyrian siege of king Sennacherib (2 Kings 19)* points to the year **701 BC**, so:

390 years x 7 = 2730 – 700 = the year 2030 AD;

and the Roman legions under *prince Titus Vespasianus* besieged and destroyed Jerusalem and her Temple in **70 AD**, so:

40 years x 7 x 7 = 1960 + 70 = 2030 AD

Since the Lord Jesus was crucified in **30 AD**, that destructive siege came exactly **40 years** later, which we will take as a grace period of **40 jubilee years** taken *an block* after which the counting of the **40 jubilee cycles of punishment** has started.

On the other hand the Lord Himself gave us the prophetic **parable of the Fig Tree** that the time of His Return will come within the last generation **when its branch has already become tender and puts forth leaves (Matthew 24)**. This is the same Fig Tree which He cursed on his way to the Temple a few of days before they crucified him (Mark 13, Luke 13:6). The state and the people of Israel are represented allegorically as **a Fig Tree in a Vineyard** (Jeremiah 24, Hosea 9:10) which was restored to put forth leaves again in **1948**. The biblical generation is the statistical average life span of a country and for the Western Europe and Israel today it is **82** years. This is again a cross-reference to the same year **2030** because:

1948 + 82 = 2030 AD.

Now, in this book we will identify and consider many prototypes and shadows of the prophetic things to come through the messianic typology in many Biblical quotes where the use of the numbers **40** or **2000** as units of time represents specific prophetic pattern of Great Re-Set of the status quo of life.

These Biblical prototypes and prophetic shadows would point out to the Resurrection at the Last Day – The

Day of the Lord at His Return for the Marriage of God with His Creation.

2000 years are in fact **40 jubilee cycles** which also could be counted as **280 shabathical cycles** after **70 AD**. It simply means that when we add a shabathical cycle of 7 years after the Great Reset in 70 AD we would come up to 77 AD, and then add another shabath until 84 AD; and then add another 7 years until 91 AD and another shabath and another one and that 280 times in total – then we would come up to the last shabathical cycle between the years 2022 – 2029/2030.

The point is that both years 30 AD and 2030 are in fact Great Jubilee years.

So this specific numerological pattern of units of time is featured typologically in the following Biblical passages:

Prototype 1. 40 days and 40 nights lasted the rain in the great flood of Noah. This story is a type of the judgement and destruction in the Day of the Lord, but also of salvation and new beginning for the elect few. This quote is from Genesis 7:4 and Genesis 8:6.

Prototype 2. Isaac the son of Abraham was **40 years old** when he married the beautiful Rebekah. This Biblical story is a type of the Marriage Supper of the Lamb of God with His Bride – the Elect Church after 40 jubilees of this church Era, since Isaac is also a messianic type-figure in the Bible. The quote is from Genesis 25:20.

Prototype 3. Jacob's death was mourned and then his body was transferred into the Promised Land of the Covenant at the exact **40th day**. This is a type of the status of Resurrection that the covenant people of God will obtain at the 40th jubilee after the death of our Messiah-King. The quote is from Genesis 50:1-3.

Prototype 4. Both great prophets Moses & Elijah came down from the Holy Mount Sinai at the exact **40th day**

with the prophetic Covenant of God. This is a type of the Second Coming of the Lord Jesus at the 40th jubilee year and the destiny of His Body the Church in this era for 40 jubilee cycles and beyond. The quotes are from Exodus 24:16, 34:28 and 1 Kings 19:8.

Prototype 5. The 12 spies (*or apostles if you will*) were exploring the Promised Land of the Covenant for **40 days**, (representing typologically *40 years of preaching the Gospel to Israel*). And then after the Israeli people and their leaders rejected the Land and the Covenant they were punished by God to wander in the wilderness for **40 years**. This story represents typologically the *40 jubilee cycles of punishment* until Israel finally accepts the Divine Covenant of grace and Resurrection. The quotes are from Numbers 13:25 and 14:34.

Prototype 6. 40 days were given as a grace period for repentance to the citizens of Nineveh by Jonah the prophet until their final judgement and destruction. This story is a type of the judgement in the Day of the Lord but also of salvation for those who repent of their sin and accept the Divine conditions of the Covenant. The quotes are from Jonah 3:4 and Matthew 12:40.

Prototype 7. King David and his son Solomon reigned for **40 years** each and provided for the building of The First Temple in Jerusalem. This is a type of this age of grace and the age that is to come – the age of Resurrection, also known as the Millennium. The quotes are from 2 Samuel 5:4 and 2 Chronicles 9:30.

Prototype 8. 2000 steps³ + 1000 more steps³ in total of **3000 steps³** was the space in the Holy Place and the Most Holy Place in the Tabernacle of Moses. The Holy Place was **20 steps long by x 10 x 10**, while the Most Holy Place was a cube of **10 steps³**. These numbers of the measurements represent typologically the *years of history after the First Coming of Jesus – the last 2 millennial days and the Shabath Millennial day of the Lord*. The

measurements of the same elements in the First Temple of Solomon were in the same proportions of 2/1 but exactly double in length, so **40 steps** long was the Holy Place of the Temple, while the Most Holy Place was another **20 steps** long and square². These specific measurements represent jubilee cycles of time which are easily converted into decimal numbers of years. The quotes are from Exodus 26:16-18 and 2 Chronicles 3:3.

In the book we will consider the well-established tradition of literal interpretation of Genesis 1-2 of the Creation of the world in **6 + 1** literal 24-hour days YES, but also as a prophetic pattern for the history ahead – that is **6000 + 1000** years of Salvation. This principle is also confirmed by the apostle in **2 Peter 3:8 that with the Lord one day is as a thousand years, and a thousand years as one day**. So, when we sum up the years of the messianic genealogies from the creation of the world we would come up to the conclusion that very soon humanity will reach roughly the **6000th-year** threshold. So, after these 6000 years by logic follows the shabathical 1000-year period – the utopian Millennial Era of Resurrection on Earth.

This principle of **2 + 1** millennial days is also established in the amazing prophecy of **Hosea 6:2** which clearly states that **after two days He (God) will revive us; on the third day He will raise us up, that we may live in His sight**.

Prototype 9. When crossing the river Jordan in attacking the city of Jericho the common people of Israel were commanded by God to walk **2000 steps** after their leader Joshua and the priests who were carrying the golden Ark of the Covenant. This Biblical prototype represents typologically the period of 2000 years from the Resurrection of the First fruit – The Lord Jesus Himself until the End of this Era with the Rapture of the Church in the Day of the Lord. The Rapture is in fact the First General Resurrection of the living and the dead at His Return (Revelation 19-20).

2000 steps were also appointed by Law for the distance of isolation around the cities of the Levitical priesthood. These were buffer-zone belt for purification (*kosher*) representing typologically *2000 years from the fulfilment of the Atonement in the year 30 AD until the First Resurrection at the Second Coming of the Lord Jesus in 2030*. The quotes are from Joshua 3:2-4 and Numbers 35:5.

Prototype 10. 2000 baths of water daily (similar to gallons) were required to fill in the washing basin of the Solomon's Temple. This number represents typologically the work of the Holy Spirit of Life during this present dirty age for 2000 years in washing and cleaning the Bride of Christ in preparation for her Marriage Supper of the Lamb. The quote is from 1 Kings 7:23-26.

Also in Zechariah 5 the prophet had an apocalyptic vision of a Gigantic Flying Scroll, the measurements of which were identical with the Holy Place of the Tabernacle of Moses – **20 steps long by 10 steps²**, which is of course exactly **2000 steps³**.

Prototype 11. 280 days, (which are exactly **40 weeks**), is the standard period of human pregnancy according to any textbook of human Biology and Medicine. These numbers represent typologically the shabath & jubilee years of the development of the body of Christ, the Church from her conception in 30 AD until the realization of the Great Mystery of God – the Resurrection at the Last Day of this Era. 40 Jubilee cycles have exactly 280 Shabbatical years in them. The quotes are from Isaiah 66:7, Matthew 24:8, 1 Thessalonians 5:3, Romans 8:22 and of course the apocalyptic vision of the pregnant woman in Revelation 12.

Prototype 12. And of course, the last and most important prototype of all: In the beginning of His earthly ministry our Lord Jesus spent **40 days** in the wilderness fasting while being tempted by the devil there, and at the End of the gospel He ascended up to the third heaven on the exact **40th day** after His Resurrection. These Gospel facts

we will consider as a type of the Rapture/Resurrection of the body of Christ at the End of this Age at His Return after 40 jubilees. The quotes are from Mark 1:13 and Acts 1:3.

In the book we will discuss the specific timing of the Rapture of the Church as connected to the Second Coming.

We will also consider the prophetic importance of the reborn Zionist state of Israel and her Third Temple as the major sign of the soon coming End of the Era and the beginning of the utopian Millennial kingdom of our **King Jesus I** on the earth.

We will look at the 7 Feasts of the Lord in Leviticus 23 and their typological implications to the ancient concept of Betrothal and Marriage called Ketubah in the Hebrew traditions. This 7-feast program fits perfectly to the prophetic scenario of the Time of the End.

Without going into conspiracy theories we will reasonably consider the formation of the Unified Global Government under the legislation of the UN Agenda 2030 in the light of the prophecy in **Revelation 13** and **Daniel 9:24-27: Then he (the Antichrist) shall confirm a covenant with many (of the United Nations) for one week (which is indeed this final shabathical period between the years 2022-2029/2030).**

About the author:

The author of this book was born and raised in Bulgaria under the strict atheistic totalitarianism of the Soviet-Russian communist empire.

During his university years he was converted to Evangelical Christianity and was born again in the great wave of spiritual revival in Eastern Europe in the beginning of the 1990-s.

After his graduation from American Bible School in Sofia in 1994 (*Derek Prince Ministry*) as a young Christian he was involved for 10 years in a false-prophetic cult in Sofia. Eventually he repented and confronted the false prophet of that new-age cult publicly, (Gnosticism - *Thracian Orphism*) and came back to the Traditional Pentecostal Church where he had been baptized at first.

The bad experience from the satanic cult only motivated Dimitry to study deeper the fundamental teachings of the Bible more and to discern and recognize their devilish imitations.

Dimitry and his wife Mariella have been married for 30 years and have a grown up son Hristo and a daughter Elisabeth. They are currently living in England.

MISSION STATEMENT

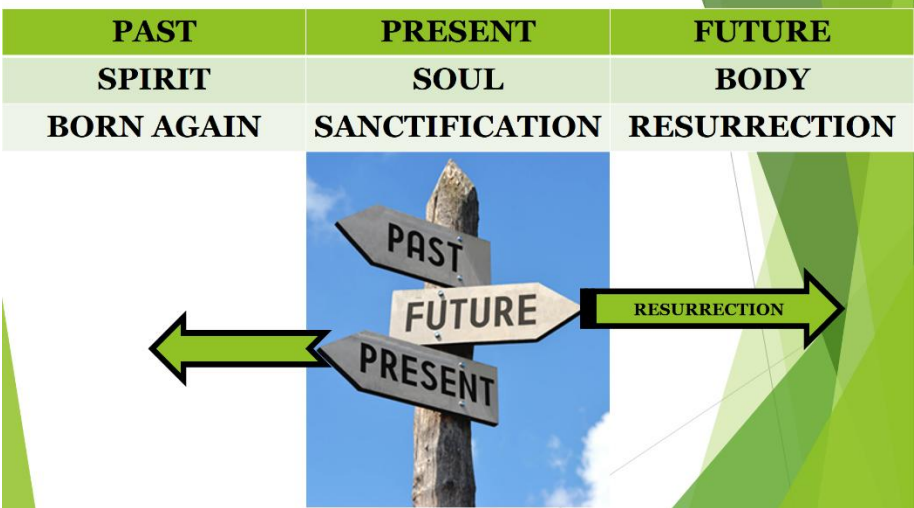

The Mission of *GodIsLightMinistry.com* is what's written in **Ezekiel 33:5**:

... He (*who*) heard the sound of the trumpet, but did not take warning; his blood shall be upon himself. But he who takes warning will save his life.

Declaring the End from the Beginning

“Remember the former things of old, For I am God, and there is no other; I am God, and there is none like Me, Declaring the end from the beginning, And from ancient times things that are not yet done, Saying, ‘My counsel shall stand, And I will do all My pleasure, ...” (Isaiah 46:9-10)

“Since times are not hidden from the Almighty, why do those who know Him see not His days? (Job 24:1)

We've just read the amazing fact that God revealed about Himself in **Isaiah 46**, that **He knows the End from the Beginning**.

You see, our way of thinking – the set-up of our mind is chronological by nature. We see the events in history ordered in a time-line and are looking for repetitive patterns to help us understand the logic behind everything that's been going on in life.

If we have correct information about history, (which is highly improbable ☹), we think that we can understand the present events and even trace some patterns in order to predict the future.

But still our perspective is based on (fake or biased history of) the PAST, from which we consider the PRESENT in order to predict the uncertain and blurry FUTURE.

But then we are surprised by unexpected events in life and while trying to figure out what's really going on and how to fix it – the years of our life have quickly passed by and that's it – the time of our dying has come suddenly.

Every time we hear the tapping sound of the cloths of dirt on the casket of the coffin of somebody's funeral we can't help but ask ourselves if I would be the next one in the coffin. But we would immediately dismiss such a thought as if it could be anybody else but not me, which is a delusion of course. Inevitably every one of us will get there in the grave sooner or later to be eaten by worms and we don't know WHEN. But then on the 3rd day everybody would forget quickly about the dead man in the coffin just like they will forget about you and me and that's the End.

Depressing, huh?!

But you see, that is us – fallen human beings.

It is NOT like that with our Great Creator God. His mind-set is totally different from ours.

Since God has got the ability of **declaring the end from the beginning, and from ancient times things that are not yet done** – that's a fundamental difference which we cannot even comprehend with our limited minds.

It means that God the Creator of TIME, SPACE & MATTER exists in the chronology of our present time YES, but He is also outside of these phenomenon somehow.

This could work with God only because He sees PAST, PRESENT and FUTURE at the same time.

God knows precisely what we are going to say and do privately and corporately and that still leaves room for our free will and choice. We do what we want to do but God already knows it in advance and has foreseen it in details as a master chess player.

That is why our Creator is able to predict the future and set it on paper before the characters are even born, because He foresees the End from the Beginning.

This is a profound mystery.

That's why many wise men have tried to have a glimpse into history by analyzing the Biblical prophecies and imply their understanding into the present and even future events.

History is His-story after all – He owns it and He is the master of time and everything in it.

But at the same time we also own history to some extent in our capacity of covenant saints of His, because to us were given the timeless prophetic messages to unfold.

This is the purpose of giving of the Biblical prophecies on the first place – to help us understand and prepare psychologically for what's coming ahead.

And of course, everything is for His Glory at the End – no other particular purpose.

Speaking about PAST, PRESENT & FUTURE of time – it is obviously a Trinitarian phenomenon if I could use this theological term loosely here.

In fact, we can say that in order for anything to exist in the universe it must simply answer at least 4 fundamental questions – the 4 WHs, as they would call them: WHAT, WHEN, WHO & WHERE.

Interestingly enough the very opening statement of the Holy Scripture is answering all of these 4 WH questions and one more in addition which is the most important of all:

Genesis 1:1: In the beginning God created the heavens and the earth.

Very simple and at the same time extremely profound:

In the beginning (WHEN) God (WHO) created (WHY) the heavens (WHERE) and the earth (WHAT).

Well, by some coincidence all 4 of these WHs questions happened to be Trinitarian:

The WHEN – TIME (Past, Present & Future)

The WHO – GOD (FATHER, SON & HOLY SPIRIT)

The WHERE – SPACE (Length, Width & Height)

The WHAT – MATTER (Hard, Liquid & Gas)

Once we answer to the 4 WH questions of the existence of anything in the universe we may proceed to the next most important of all – the WHY question:

WHY is everything around existing on the first place?

What's the purpose and meaning of life at all?

The answer is simple – for Glory to God in Salvation.

I believe that the rest of the Bible after **Genesis 1:1** gives us the only meaningful and complete answer to this existential question and it also contains instructions of how to benefit from the answer.

If you need a reference to the question of the Christian doctrine of Trinity in answer to the great monotheistic religions, then this is it – **Genesis 1:1**. To the Jewish Shema “*ADONAI Echad*” or to the Muslims with their “*There's no God but God*” – YES, GOD IS ONE, and JESUS IS GOD.

On the other side **1 Thessalonians 5:23** clearly states that by nature our salvation is also Trinitarian in this sense: **Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul, and body be preserved blameless at the coming (parousia) of our Lord Jesus Christ.**

The Coming (*parousia* - *παρουσία*, G3952) here is the Second Coming – the Return of our Lord Jesus and it's going to mark out the final-third stage of the salvation of our **spirit, soul, and body** – so, these **3** are **1** but yet different:

1. The Salvation of our SPIRIT was in the PAST – popularly known as the NEW BIRTH or being born again – the reinvigoration of our dry and dead human spirit by the Holy Spirit of God in our hearts (**John 3:3: Jesus answered and said to him, “Most assuredly, I say to you, unless one is born again, he cannot see the kingdom of God.”**)

... 5: Jesus answered, “Most assuredly, I say to you, unless one is born of water and the Spirit, he cannot enter the kingdom of God.)

2. The Salvation of our SOUL being the divine activity in the PRESENT time, known also as the SANCTIFICATION (**2 Thessalonians 2:13: ... God from the beginning chose you for salvation through sanctification by the Spirit and belief in the truth**),

And also in **Hebrews 10:14** and **12:14: For by one offering He has perfected forever those who are being sanctified**. – Notice the verb tense in **are being sanctified** – indicating a process that’s been active since the moment we were born again until the present time. **... holiness, without which no one will see the Lord.**

3. The Salvation of our BODY being still in the FUTURE – the RESURRECTION OF OUR BODY –

as in **Romans 8:23: we also who have the firstfruits of the Spirit, even we ourselves groan within ourselves, eagerly waiting for the adoption, the redemption of our body**;

and in **2 Corinthians 4:14: ... Knowing that He who raised up the Lord Jesus will also raise us up with Jesus.**

And also in **John 6:40 And this is the will of Him who sent Me, that everyone who sees the Son and believes in Him may have everlasting life; and I will raise him up at the last day.”**

Here the mentioning of the (First) Resurrection at the Last Day is in fact The Day of the Lord at His Second Coming (*Parousia*) to the earth.

It seems that the threefold salvation or our whole being, being it Spirit, Soul & Body somehow answers to the threefold temptation in the garden:

Genesis 3:6: So when the woman saw that the tree was good for food (*body*), that it was pleasant to the eyes (*soul*), and a tree desirable to make one wise (*spirit*), she took of its fruit and ate. She also gave to her husband with her, and he ate.

These clearly answer to everything that the satanic system of this evil age is based upon - **1 John 2:16: For all that is in the world—the lust of the flesh (*body*), the lust of the eyes (*soul*), and the pride of life (*spirit*) — is not of the Father but is of the world.**

And of course Jesus, being the perfect man – the Last Adam dealt with all these three aspects of temptation during His 40-days in the wilderness (**Matthew 4**): turning stones to bread (*body*), throwing Himself down from the pinnacle of the temple (*soul*), and worshiping Satan in order to get power over all the kingdoms of this world (*spirit*).

Romans 8:29-30: For whom He foreknew, He also predestined to be conformed to the image of His Son, that He might be the firstborn (*stage 1*) among many brethren. 30 Moreover whom He predestined, these He also called; whom He called, these He also justified (*stage 2*); and whom He justified, these He also glorified (*stage 3*).

You see, as a humble boy born and raised under the extremely atheistic totalitarian communism for the first 20 years of my life I asked myself the existential question many times, which lead me naturally to the philosophy section of the library.

Many authors have tried to give meaningful answers to this question of the purpose and meaning of life, but none of them would come up to the core of it.

That's why back then I was changing my philosophical preference every 6 months roughly. Karl Marx, Friedrich Nietzsche, Kant and many others may have offered many plausible explanations for the meaning and purpose of life but none of them was really satisfying my internal hunger. None of these philosophers would come to the WHO question to get it directly from the source. All their answers would look from the perspective of ourselves as human beings and society in general and that would be the limitation of their mindset.

In fact all the items in that library were filtered to be biased toward an atheistic world-view because the ruling communist party back then would not allow any competitive ideology based on another perspective.

My atheistic brainwashing was really heavy. All I knew about the purpose and meaning of life could only be on the level of materialism because that was the only choice I had and it was virtually everywhere around me.

Everyone from my relatives and friends' environment was hard-core atheist. Besides, communist education, mass media and the accepted norms in society in general were profoundly atheistic. That's why it's called totalitarianism, meaning total blockade. Everything that could exist in my mindset was matter, matter and nothing else – no soul, no spirit – nor even similar to these.

You see, the only explanation that all atheists would ever offer about the origin and purpose of the universe is straight and simple:

In the Beginning, Billions upon Trillions of years ago there was a Big Bang and then the Evolution took over, so ... here we are. - that's how the bible of atheism would start. The EVOLUTION would take care of everything – provided it would be given enough time, which would mean unlimited chances for random events to happen and that would eventually lead to a gradual progress.

So, the Big Bang & Evolution would be the answer of all we needed to know as an explanation about the origin of everything in the universe.

Who caused the Big Bang and why? - question irrelevant.

According to the atheistic world-view the lifeless and faceless force of the Big Bang would create everything out of nothing through the gradual process of Evolution for no particular reason and no purpose – from nothingness.

Every element that is in the *Mendeleev's Periodic Table* – from Hydrogen (H₂) to Uranium-235 would have evolved from nothing. There's no need to even mention the colossal amount of energy that was needed to be invested initially in the electrons to maintain the balance of all these atoms in the structure of the elements.

According to the evolutionists MATTER would obviously evolve from NON-MATTER – well, that's easy-peasy. (NON-MATTER must be something like nothing, but even less than nothing – like absolute nothing).

Well, it gets a little bit complicated when we realize that in order for that to start happening in the beginning we would first need some-WHERE to put all the things that are made of MATTER and also WHEN to put them.

So, before we have the WHAT-ever thing in the universe to start evolving we would need first some initial EVOLUTION of SPACE and TIME before even starting the Evolution of MATTER – right?

Apparently the SPACE for the planets, the stars, the galaxies and all of that would have to evolved from non-space and the TIME would evolve from non-time - the atheistic science would confirm boldly. (*Follow the Science, remember!* – and the money also).

The problem here is that, how could we have Billions upon Trillions of years of time from the Evolution of TIME since we didn't have any TIME at the Beginning to start the evolution process of TIME?! – it gets more complicated.

Not to mention that the organic matter had to evolve from non-organic matter first and then to continue evolving further into the single-cell living organisms for no need for that to happen whatsoever.

There's no need to mention the development of such a sophisticated functional systems of the body as the eyes for seeing and the ears for hearing or even the bipolar gender reality – the 2 sexes. These would need such a complicated design of multiple elements as sensors and nerve connections to have evolved simultaneously to even start functioning through the specific centers in the brain.

No way for these to have happened simultaneously by chance and then evolve for millions of years to come up to something useful and completed without an initial Designer.

The survival of the fittest, which is the royal law of the Evolution through the natural selection would not allow such a gradual development for billions of years of such a parasitic systems to have eventually developed. In order to have the evolution of systems like the eye for seeing or the ear for listening and those to be genetically inherited into something useful we must presume billions of years of random and parasitic evolution, which is not sustainable.

That's why some would go into weird theories like *"The Reality is not real"* and *we don't really exist but it's just a digital simulation*. Or some would suggest that aliens from UFO created the planet and then "infected it with life", as if that would somehow distance the question of Who created aliens or why anybody simulate something for no reason.

And all of that trouble and labor for no particular purpose and no meaning at all – to finally get to the WHY question of our existence here.

It seemed to me that this Big Bang & Evolution-thing is kind of a super entity – kind of an omnipotent god-like something but not God of course – NOOO, no way.

You see, in atheism you're not allowed to presume the existence of God per se, unless of course you want to mock the people that believe in anything close to intelligent design of a Creator God. As I said, it's complicated.

Aafter all, there could only two options:

Either God created the world and everything in it, or everything self-created and evolved out of nothing. In both cases you must admit that the creator owns the system and makes the rules in it, if there are any valid moral laws at all.

If you presume even for an hour the existence of a supreme Creator and giver of life in the universe you may eventually come up to the conclusion that you may be morally answerable to God and His law rather than to the supreme leader and hero of the communist revolution.

Such an idea was absolutely not acceptable back then in my childhood and shearing it publicly would lead to arrest and going into labor camp for 10-15 years far away from your family, if you would be able to survive it at all.

You see, that was my dilemma of the WHY-question about the meaning and purpose of life in the beginning of the 1990s until the WHO revealed Himself to me in a very personal way.

To make the long story short - eventually I found myself being in the baptistery of a humble Pentecostal church - enlightened by the life of Him who created all in the beginning of time.

Since then I've had no reason to doubt His existence anymore and never regretted losing my middle-class status in the materialistic society.

In fact, the post-communist society totally collapsed a few years later around the mid-1990-s and has never really recovered from the pathetic corruption and economic collapse.

Eventually, my country joined EU, NATO and George Soros became the major sponsor for most of the political and cultural projects. So, I had nothing to lose there anyway.

- - -

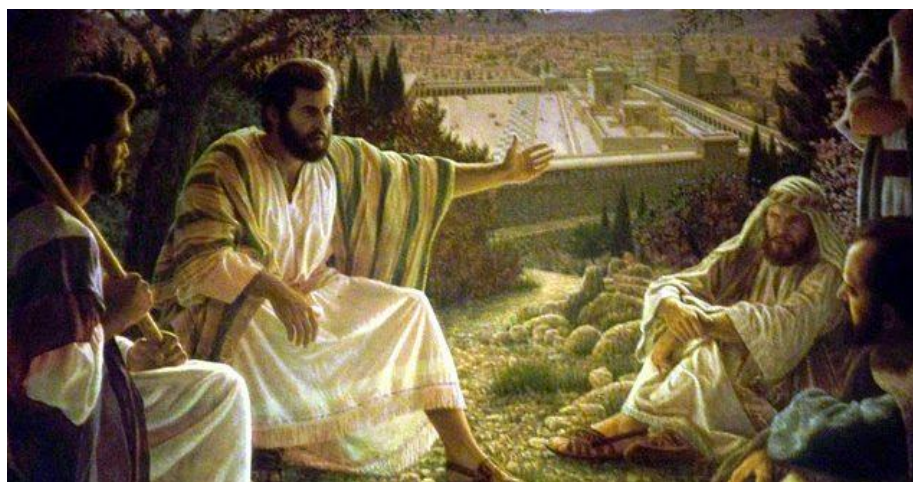

As you can judge from the cover of this book – YES, this is a predictive year-setting of the Day of The Lord based on the types and patterns that we can trace in **The Word of God Himself – The Logos**.

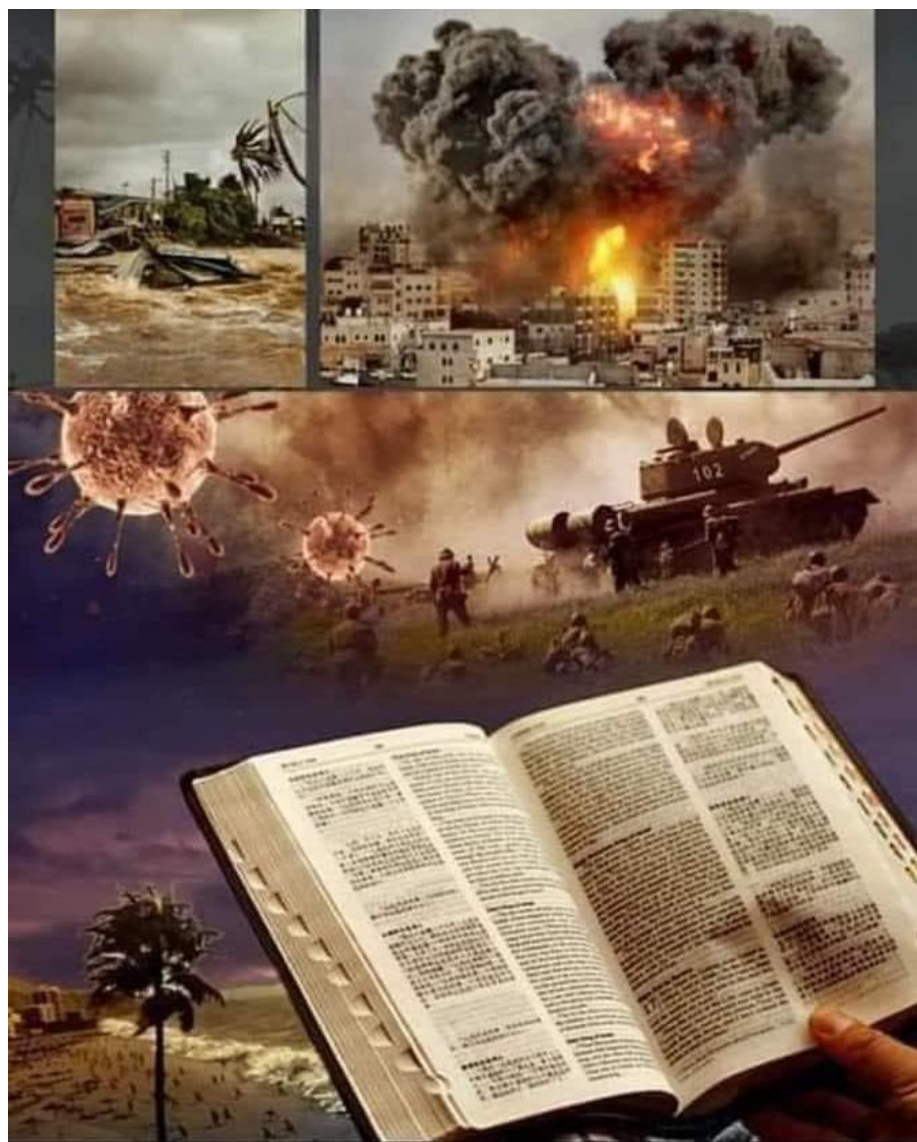

In a sense it is a prophetic message to all of you who know your Bibles and also expect the return of our Lord Jesus from heaven to rule on the earth for 1000 years and then for eternity without End.

The material that I am about to present in this book may be very important and even fundamental for one's understanding of the Second Coming of the Lord Jesus based on the Scriptures.

It can also explain why the things in the world are happening the way they've been happening recently from a Biblical perspective.

Fig Tree Withered 30 - 70 AD

Fig Tree Re-Born 1948 - 2030 AD

First of all, I would like to bring to your attention the fundamental Biblical prophecy of **Ezekiel ch. 4**, which gives us a mathematically precise clue about the year of the Second Coming of the Lord Jesus Christ to the earth.

(All **Biblical quotes** are in **bold** and the *subtitles in italics* are from NKJV)

Ezekiel 4: *The Siege of Jerusalem Portrayed*

“You also, son of man, take a clay tablet and lay it before you, and portray on it a city, Jerusalem. 2 Lay siege against it, build a siege wall against it, and heap up a mound against it; set camps against it also, and place battering rams against it all around. 3 Moreover take for yourself an iron plate, and set it as an iron wall between you and the city. Set your face against it, and it shall be besieged, and you shall lay siege against it. This will be a sign to the house of Israel. Lie also on your left side, and lay the iniquity of the house of Israel upon it. According to the number of the days that you lie on it, you shall bear their iniquity. 5 For I have laid on you the years of their iniquity, according to the number of the days, three hundred and ninety days; so you shall bear the iniquity of the house of Israel. 6 And when you have completed them, lie again on your right side; then you shall bear the iniquity of the house of Judah forty days. I have laid on you a day for each year. 7 “Therefore you shall set your face toward the siege of Jerusalem; your arm shall be uncovered, and you shall prophesy against it.

Later we will go into more details of this prophecy, but let me talk about it briefly now because it is the key:

In this enigmatic prophetic text we see two specific numbers of the years of punishment mentioned directly in the text, concerning the two separate branches of the Elect people of God. Back in those days the Covenant nation was split into the Northern kingdom of the 10 tribes of Israel and the Southern kingdom of Judah and Benjamin with the Levitical priesthood around the Jerusalem Temple.

As we know from the Biblical history, after the glorious reign of king Solomon (around 1000 BC) the 12 tribes of Israel split into two separate kingdoms due to their corruption, idolatry and apostasy and on them was imposed divine punishment of foreign invaders and ban from their covenant land according to this context in Ezekiel 4.

Well, this punishment was not permanent but for a specified period of time after which they would be given a second chance to repent and be restored in the privileges of the covenant or else the period would be multiplied 7 times by Law (**Leviticus 26**).

Meanwhile, during the time of their punishment Israel would not be able to have an independent state and be united as one nation of the Elect people under God.

390 days, representing in the prophecy **390 years** of penalty were imposed upon the 10 tribes of the Northern kingdom according to this context in **Ezekiel 4**, and 40 days representing **40 years** were determined for punishment of the Southern house of Judah and Jerusalem,

The counting of these years was specified to start from the siege of Jerusalem.

All these details are straight in the text and no more explanation is given by Ezekiel.

Now, these numbers of years we will consider in the light of the Sabbath and Jubilee principle established by the Law of Moses in **Leviticus 25-26** as:

390 sabbatical years (x 7) - these were appointed for the 10 tribes of the Northern kingdom of Israel (that would be Ephraim – the wild Gentile olive branch), and

40 jubilee years (x 7 x 7) – these were appointed for the punishment of the Southern kingdom of the tribe of Judah with Jerusalem, (which is represented as the cultivated olive branch in the prophetic parable of Apostle Paul in **Romans 11**. (The same motif of 2 houses of the covenant nation is in **Ezekiel 37** and **Jeremiah 11**). The Southern kingdom of Judah is associated historically and ethnically with the modern state of Israel since 1948.

So, the starting point for the calculation of these years of punishment and restoration for the covenant nation was specified to be from the siege of Jerusalem and this detail is the key for the understanding of the prophetic message here.

In the story of chapter 4 the prophet Ezekiel had to lay theatrically in front of the people of Israel for 390 days, and then for another 40 days – that would be 430 days in total in front of a miniature model of the city of Jerusalem and her temple – a day representing each year in the prophecy. So here we have the formula, which we will use later in many other passages, taken as a prototype pointing out to the time of the End:

1 day = 1 year (40 days = 40 years)

In this way the prophet was commanded by God to identify himself with the divine disgust of the apostasy and covenant breaking of the Israeli people and to portray visually the punishment that God imposed upon them.

Now, a simple internet search would give us the exact years when the first and the last siege of Jerusalem happened in history after king David took it around 1000BC:

- the Assyrian siege of king Sennacherib, (the story is in **Isaiah 36-37(:36)** and also in **2 Kings 19:35**), happened in the year **701 BC** when the Northern kingdom of the 10 tribes of Israel were defeated in battle and the process of their enslavement and cultural assimilation started;

and of course the famous Roman siege of Jerusalem in the year **70 AD** for the Southern kingdom of Judah, when the city of Jerusalem and her temple were burned and levelled to the ground.

This event in 70 AD was prophesied by the Lord Himself on the Mount of Olives in **Matthew 24** and also documented by the historian *Josephus Flavius* in his book *The Wars of the Jews*.

After these two attacks the Israeli people lost their states and were banned from their covenant land into slavery and poverty.

So, the Assyrian siege in **701 BC** and The Roman siege in **70 AD**:

- **390 sabbatical years** of punishment – this will be multiplied **x 7** according to **Leviticus 25-26**, which is = **2730 years after 701 BC** - comes up to **the year 2030**, (*there's no year zero between BC and AD*), and

- **40 jubilee years** of punishment for the Southern Judah multiplied **x 7 x 7**, which is of course = **1960 years after 70 AD** - again sums up into the same **year 2030**.

- - -

On the other side, we have the specific words of the Lord Jesus in His prophetic discourse from the Mount of Olives about the end of the world and the time of His Return, which He pronounced in **Matthew 24:32-35**, talking about *The Parable of the Fig Tree*:

“... Now learn this parable from the fig tree: When its branch has already become tender and puts forth leaves, you know that summer is near. 33 So you also, when you see all these things, know that it is near—at the doors! 34 Assuredly, I say to you, this generation (*genea* – γενεά *G1074*) will by no means pass away till all these things take place.

Now, question for interpretation:

*What did Jesus mean by **this generation** (*genea*) and what would be its straight connection with **this parable from the fig tree**?*

- The answer is in many passages all over the Old Testament, (as in **The Song of Solomon 2:13**, **Jeremiah 8:13** and also in some New-Testament parables).

There the *Shabath Shalom* of Israel, (meaning *Rest in Peace* in Hebrew), is compared with the allegory of a Fig Tree in a vineyard and it clearly represents the state and the people of Israel and her Temple in Jerusalem.

For example **Hosea 9:10**: “**I found Israel Like grapes in the wilderness; I saw your fathers as the firstfruits on the fig tree in its first season.**

or in **Jeremiah 24:5**: “**Thus says the Lord, the God of Israel: ‘Like these good figs, so will I acknowledge those who are carried away captive from Judah, whom I have sent out of this place for their own good, into the land of the Chaldeans.**

So clearly - the Israeli people are portrayed allegorically as the fruits of the Fig Tree in a vineyard.

The statement in **Matthew 24** about **this parable from the fig tree** is obviously connecting prophetically this generation-genea which was born at the same time of the re-birth of the Fig Tree-Israel on 14 May, 1948 with the specific timing of the Second Coming of the Lord. This is the traditional rendering of this passage as I was taught in my church, not my private idea.

These would be **all these things take place** – meaning all the prophetic things that are appointed to happen until the End of this Era.

We will consider this prophecy in its context of the previous **ch. 23 of Matthew** and also **ch. 21:18-22**.

In these passages Jesus prophetically cursed the Fig Tree-Israel and more specifically her priestly aristocracy and she eventually withered away in 70 AD, which would be exactly 40 years later.

But then, 1878 years later the prophecy of **Isaiah 66:7-9** was fulfilled miraculously. The generation of my father witnessed in 1948 the Fig tree being re-born, became **tender and put forth leaves** again.

So, basically there are two genea-generations here in the focus of this prophecy:

- the cursed and withered Fig Tree – that is the 30 AD - 70 AD Fig Tree-generation, and

- the generation which **branch has already become tender and put forth leaves** – this would be the 1948 AD – 2030 AD re-invigorated Fig Tree-generation.

According to the Biblical definition from **Psalm 90:10** the length of a genea-generation is roughly 70-80 years: **The days of our lives are seventy years; And if by reason of strength they are eighty years, Yet their boast is only labor and sorrow; For it is soon cut off, and we fly away.**

This is what they would call a statistical *Average Life Expectancy of a country*.

A brief Google check in the recent statistics would show that the average life expectancy of the developed countries today is between **81-83 years**. For the country of Israel in 2022 it was **82.7 years**. So, the generation that witnessed the re-birth of the Fig Tree-Israel, when **its branch has already become tender and put forth leaves** in the year **1948** is this last genea-generation, which will **see all these things** prophetically fulfilled.

So, the calculation is really simple here. Based on the statement of the Lord Jesus we can add from the year **1948 + 82 years =** and it comes up to the same **year 2030**.

Again this year 2030 is a cross reference of the same double calculation from **Ezekiel 4**.

If you follow this presentation to the end you will see more than **30 Biblical quotes** in which there are specific numerological details compatible with the typology of the Resurrection at the Last Day – the Day of the Lord's Return for the Marriage Supper of the Lamb after 40 jubilee cycles (2000 years).

We will also consider the parallel reference of the UN Agenda 2030 as the plan for the New Global Order of the Antichrist in the light of **Daniel 9:24-27: Then he (the Antichrist) shall confirm a covenant with many (UN) for one week (2022-2029/2030).**

How I got here

Kedron Valley & Mount of Olives

Garden of Gethsemane

In the beginning of January 2020 me and my wife visited the country of Israel as tourists.

(It was just before the start of that pandemic psy-op of the seasonal flu with the lockdowns and the propaganda of the snake-fangs - you know what I mean ☺).

I booked a cheap hotel in Jerusalem called “*Mount of Olives*” on the Mount of Olives which is east of the Temple Mount of the fortress of the Old city Jerusalem – the original one.

Of course, I picked up this location because I already knew from the Gospel that this was the authentic site where Jesus was staying with His disciples when coming to the Temple in Jerusalem. It is also known as Mount Moriah, the city of David or Zion. Jesus called it The City of the Great King, most probably pointing out to Himself at His Second Coming.

This Mount of Olives in front of the Temple Mount is also the same hill from where the Lord pronounced His famous prophetic discourse about the End of the World in Matthew 24, and from where He ascended up to heaven on the 40th day after His Resurrection.

The authenticity of this place is beyond any doubt and the land-shaft around can be a spiritual revelation in and of itself about the events of the final week of Jesus’ ministry on earth.

The Mount of Olives is also the particular location specified in **Zachariah 14** where the touch-landing of the Second Coming is prophetically appointed to happen.

So, from there me and my wife decided to go and visit the Temple Mount and *the Church of the Holy Sepulchre* in the Old city Jerusalem which could be openly seen not far away from the Mount of Olives.

First we had to go down the hill between a massive graveyard on the South called *the Tombs of the Prophets* and an olive grove on the North.

Since Jesus said in **Luke 13:33** that **it cannot be that a prophet should perish outside of Jerusalem** and this was obviously a massive ancient graveyard, I could presume that most if not all of the Biblical prophets and kings were buried exactly here on this site.

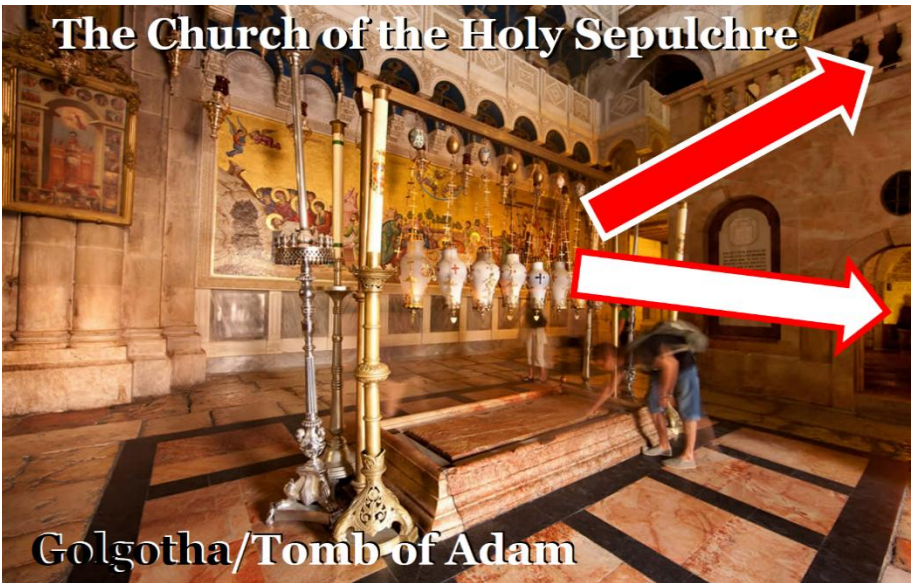

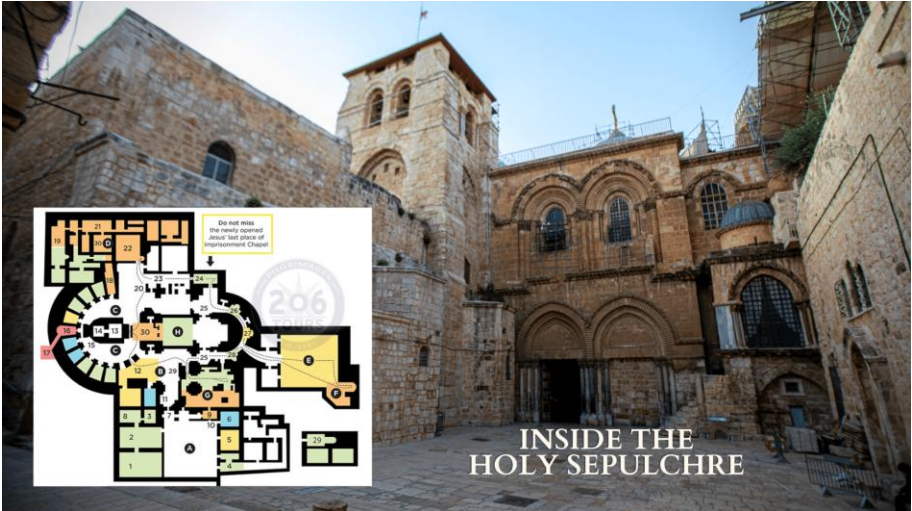

Then we got to *the Garden of Gethsemane* down by *the Kedron valley* – the authentic one. There were some really ancient olive trees there with massive trunks. On the fundament of some of these olive trees you could trace how a new branch had shoot fourth and eventually became an extension of the same massive tree from the root of the old trunk.

Once we crossed *the Kedron valley* we came up toward *the Temple Mount* and *the Wailing Wall* on its west side, and then through the narrow streets of *Via Dolorosa* of the Old City we finally got to *the Church of the Holy Sepulchre* – probably about 40-50 minutes' walk.

This most-famous Christian Cathedral of *the Church of the Holy Sepulchre* has got two blue domes. Under the small dome on the right side of the door on the East is the chapel of Golgotha where it is traditionally believed that the crucifixion of Jesus has happened.

On the basement under the altar of this chapel of crucifixion there is also another small modest chapel, where it is traditionally believed that the tomb of ... Adam is (?!). Yes, that Adam & Eve – the first family couple created on the face of the Earth – buried here in the Church of the Holy Sepulchre under the wooden cross of the Lord Jesus Himself - that was a surprise.

Tomb of Jesus

The theological connection and implications of the location of these two relics are profound, as clearly stated in **1 Corinthians 15:45: And so it is written, “The first man Adam became a living being.” The last Adam (Jesus) became a life-giving spirit.**

For now I am not going into more details but will only add that I believe that when apostle Paul was writing about the great sacrificial exchange of life on the cross in **Romans ch. 5-8** he had in his mind the picture of this particular location of Golgotha and the tomb of Adam. Now, seeing this connection in the architectural plans of the cathedral here it started to make even more perfect sense to me.

(There are some clearer and better pictures that I will put on the website: GodIsLightMinistry.com)

And then we went under the big dome on the left of the door of *the Church of the Holy Sepulchre* - on the West, where we waited in the queue to enter into the tomb of Jesus in *the Chapel of the Resurrection*.

What I realized at this point was that both sites of the killing of the Lord and His Burial & Resurrection are under the two major domes of the same cathedral - very close to each other really.

Now, at the point we entered into *the Chapel of the Tomb of the Lord* I had a profound experience of feeling the presence of the Holy Spirit of God and I saw a spiritual vision while being in there.

I received this divine vision while kneeling down on the pink marble bed of the tomb where it is traditionally accepted that our Lord Jesus was lain and rose from the dead on the third day.

In my vision at first I saw a bearded man in white, laying cold-dead on the marble stone.

The head of the man was on the right-hand side, so his legs were on the left side where the candles are – that is how I saw him lying in my vision.

At that moment I felt the merciless coldness of that marble stone-bed and also the coldness of the dead body on it. I trembled because I was overwhelmed by the hopelessness and desperation of the phenomenon of death there – it was that horrific.

I didn't see clearly the face except that he was a young man and had a black beard and black hair. The color of his skin was more like the tanned complexion of the people of the East than European – more similar to Lebanese or Afghani men.

Suddenly the dead man in my vision woke up and sat on the stone bed and then got up and went away toward the door to my right hand side.

I didn't hear any specific words while being in there and cannot even say that I saw the face of the man in white clearly.

That was all that I saw in the vision. After it I felt really devastated for about an hour.

The funny thing for me in this situation was that I went there with a lot of prejudice in my mind and that's why I was absolutely surprised by this divine visitation.

In general, I am quite sceptic of the superstitious religion in that type of cathedrals because of my upbringing. You see, *The Church of the Holy Sepulchre* looked exactly like so many Eastern Orthodox churches in my country Bulgaria where Christianity has been the state religion for 1000 years, so I had no expectations whatsoever.

Later in the following months I gradually developed a strong conviction in my heart that our Lord Jesus is coming back very soon and I started to explore this theme in my private readings of the Bible. So, I can say that this presentation here came as a result of this profound spiritual experience.

On one side - the simple logic of the Biblical text that I've been studying led me to this conclusion. And on the other, the events that have started to unfold since then confirmed it.

The time of the Second Coming is very close and we must get ready whatever this may mean.

Later that year 2020 *the W6rld Ec6nomic F6rum* (WEF) in Davos of Professor Klaus Schwab and Prince Charles of Wales announced *the Great Re-Set* with all those lockdowns and knockdowns according to the UN plan for the New Global Order – *Agenda 2030 for Sustainable Development*. By that time all of the political leaders all over the world started to parrot them with their moto:

BUILD BACK BETTER.

Well, it's been 5 years since then and I don't know anything that's been built better, except the bank accounts of the big corporations of many **6**illionaires with "**b**".

I know for sure that many people have died or got sick from the snake fangs, many small businesses of the middle class has been decimated, which would result in family life being disrupted and kids left alone. But anything to have been built better?! – you tell me, if you know any.

So, at that point I started to explore the typology and symbolism of the number **40** in the Biblical text as connected to the number of the units of time before some Great Re-Set of the status quo in the biblical narrative. (We will go into more details about *the Great Re-Set of the Agenda 2030* in PART 3 of this presentation here).

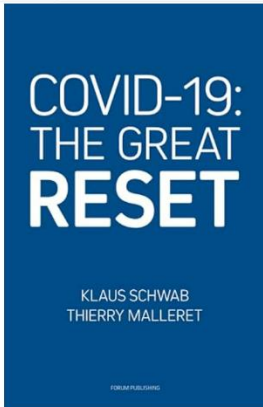

Soon in my private study I came up with more than **30 Biblical quotes** where the using of this particular number **40 or 2000** is marking out some revolutionary transformation of the spiritual status quo of life in the universe.

But the key detail which finally convinced me more than everything else that I was on the right way of thinking was the enigmatic prophecy of **Ezekiel 4** where the year 2030 is mathematically pinned out, which couldn't be a coincidence. (We will go into details in PAPRT 1 here).

Comparison of Christian millennial teachings

At this point, there may be a need for many of you to get some clarification about a specific doctrinal point in order to understand the way of thinking I come from.

Such an explanation may not be necessary for hundreds of millions of Christians who come from Baptist, Pentecostal and other independent denominations, but this may not be the case for many traditional Christians who come from Catholic, Anglican, Eastern Orthodox, Methodist and other similar traditions.

According to many quotes from the writings of the yearly church fathers, they testify clearly about their belief that the whole history of salvation is divinely appointed to last for not more than 6000 years. These would be from the Creation of the world and Adam & Eve in the Garden until the restoration of the Great Re-Set of the Messianic Era.

So, these 6000 years will be followed by the Millennial Age of 1000 years of peace according to the model of the Creation in 6 + 1 days, as we read from the Beginning in **Genesis 1**.

For example: The writer of the **Epistle of Barnabas (117/132 AD)** held to the idea that after six thousand years of history which would correspond to six days of creation, there would be a seventh Sabbath day of rest which would last for 1000 years.

The following is a quote from the **Epistle of Barnabas**:

Attend, my children, to the meaning of this expression, "He finished in six days." This implieth that the Lord will finish all things in six thousand years, for a day is with Him a thousand years. And He Himself testifieth, saying, "Behold, to-day will be as a thousand years." Therefore, my children, in six days, that is, in six thousand years, all things will be finished. "And He rested on the seventh day." This meaneth: when His Son, coming again, shall destroy the time of the wicked man, and judge the ungodly, and change the sun, and the moon, and the stars, then shall He truly rest on the seventh day.

If we accept the claim of this ancient tradition to be true, then we must consider the beginning of the Biblical text in **Genesis ch. 1 & 2** not only as a literal historical account of the Creation of the universe, but also as establishing a prophetic pattern of the future history of the divine creation itself.

This is clearly the logic when we adopt the literal method of interpretation of the prophecy of **Revelation 20**, which is what's following after the Second Coming at the 6000th year - the soon-coming millennial Era of Resurrection – the Shabath Shalom millennial day of rest.

This traditional doctrine called provisionally PRE-MILLENNIALISM is based on the principle established by the apostle in **2 Peter 3:8: But, beloved, do not forget this one thing, that with the Lord one day is as a thousand years, and a thousand years as one day.**

Most probably Peter had in mind the same **Psalms 90:3-4**, which we've already considered about the length of the genea-generation: **You turn man to destruction, And say, "Return, O children of men." 4 For a thousand years in Your sight Are like yesterday when it is past, And like a watch in the night.**

Well, I understand that there are some church traditions that may not take this approach of interpreting the Biblical prophecies literally for granted. However, I can assure you that there are a lot of doctrinally sound churches that do believe in the literal PRE-Millennial approach of interpretation, as for example:

To take all the genealogical records in the Holy Text to mean literal number of years of history, which could be summed up easily and go back to the creation of the literal Adam and Eve in the literal garden approximately 6000 years ago, which is roughly 4000 BC – and not more.

This view (PRE-Millennial) also incorporates the belief in the literal global devastating flood of Noah about 1400-1500 years after the creation of the world which would be about 4500-4600 years ago according to the detailed genealogical records in the Bible.

Pre-Millennialists believe in literal Moses leading literal Israeli people out of Egypt about 1500 BC which is approximately 3500 years ago.

You see, if we sum up all the numbers of years of the Biblical genealogies, the calculation would clearly point out to the soon reaching threshold of roughly 6000 years.

Pre-Millennial view by definition means that this present Era is PRE – that is BEFORE the literal 1000-year Millennial kingdom by the literal presence of the Literal God-Man Jesus coming to this literal earth after His literal physical and political Second Coming.

PRE-Millennial view is also considered to be a futuristic view because we see the fulfilment of the prophecies about the Second Coming to be still in the future.

The still future 7th sabbatical millennium is considered as a transitional parenthesis-period in between this present evil age and eternity without earth and sea, when righteousness will reign on the universe in the presence of God the Blessed Creator.

So, the transitional Millennial Era will bear the characteristics of both ages before and after it and will be also “sandwiched” in between two Resurrection Events – The First and the Second General Resurrections of the dead souls.

The exact opposite mind-set of the PRE-Millennial view is PRETERIST or HISTORICAL approach of interpretation, which is adopted by the POST-Millennial and A-Millennial views of allegorical interpretation of **Revelation 19-20**.

The A-Millennialists and POST-Millennialists see the fulfilment of the prophecies about the Second Coming mainly in the past – in the 1st century, or could even allegorize them completely by ignoring their literal fulfilment in the physical reality of life and history. Some of them would even go into heretical extreme to deny the literal phenomenon of the Resurrection of the bodies of the Believers – the First (General) Resurrection at the End of the Era – at the Last Day.

Since the A-Millennial view is basically denying the final judgement and destruction of the wicked rulers of the society, it is typical for the state-sponsored church institutions. I call them imperial prostitutes – the daughters of the Harlot Babylon the Great – the Roman Imperial Church. By this definition I don't mean the many hundreds of Millions of Christians under these institutional traditions but their hierarchy of leaders who are supposed to know the truth better but are deliberately ignoring it and keep their laymen in darkness by vague allegorical interpretations.

Within the majority of the evangelical movement there is also the same heretical trend of POST-Millennialism claimed by groups within the so called Word of Faith prosperity gospel, New Apostolic Reformation (*NAR - Name-it-and-claim-it*) and similar. They teach the so called DOMINION THEOLOGY OR SEVEN MOUNTAINS MANDATE, which is basically the old Catholic heresy that the church must take over the main institutions in society in order to prepare the world for the Coming of the Lord.

This false doctrine gives them the basis for their lust for power and money. They claim that they may have signs and miracles every time they want it. These heretics are claiming Biblical things YES, but they confuse the AGE context by pretending to have a mandate NOW IN THIS AGE instead of THE AGE THAT IS TO COME after the Return of the King. Such are the beliefs of most of the religious groups around the current president D. J. Trump.

They basically deny **1 John 5:19** where the apostle states clearly: ... **the whole world lies under the sway of the wicked one.** – this is about this current age now.

The main passage of this debate is **Revelation 20**, where we see the expression **chilioi etos (χίλιοι ἔτος)** – meaning **ONE THOUSAND YEARS** mentioned 6 times in this prophetic chapter only and in connection to the reign of King Jesus I in the future age.

Bear in mind - there is only one entry in the Greek dictionary for this expression, so it could mean only **ONE THOUSAND YEARS** and nothing else – no room for allegorizing it in the Greek dictionary.

Revelation 20: Satan Bound 1,000 Years

Then I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. 2 He laid hold of the dragon, that serpent of old, who is the Devil and Satan, and bound him for a thousand years (*chilioi etos - χίλιοι ἔτος*);

3 and he cast him into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years (*chilioi etos - χίλιοι ἔτος*) were finished. But after these things he must be released for a little while.

The Saints Reign with Christ 1,000 Years

4 And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years (*chilioi etos - χίλιοι ἔτος*). 5 But the rest of the dead did not live again until the thousand years (*chilioi etos - χίλιοι ἔτος*) were finished. This is the the first resurrection (*ho protos anastasis - ὁ πρῶτος ἀνάστασις*). 6 Blessed and holy is he who has part in the first resurrection (*ho protos anastasis - ὁ πρῶτος ἀνάστασις*).

Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years (*chilioi etos - χίλιοι ἔτος*).

So, that's what we're talking about – our reign as co-governors with the King Jesus I for 1000 years – literal 1000 years.

I am not going into more details for now since it is a subject of a separate presentation but just notice that the phenomenon of the First Resurrection is explicitly mentioned here two times – **ho protos anastasis (ὁ πρῶτος ἀνάστασις)** - THE FIRST RESURRECTION.

By logical implication there must be at least one more Resurrection after it also - THE SECOND RESURRECTION after the **chilioi etos (χίλιοι ἔτος)** – after **the 1000 years** of the utopian reign of King Jesus on the Earth.

A lot of traditional theologians may try to by-pass the literal meaning of this text by allegorizing and spiritualizing its understanding and implications, but is this really what this context is talking about?!

Otherwise the expression **chilioi etos** doesn't make any sense, or at least any literal meaning and by allegorizing it the interpreter risks to slaughter all the essential meaning of the message here.

Notice also the mentioning of **the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands**. These are the so called *tribulation saints*, which are no different really than the Church saints during the period of the Great Tribulation – this could be anyone of us reading this book now. They will take part of the First Resurrection after their confrontation with the Beast system 666, which makes impossible to put the timing of the Rapture/First Resurrection before the Tribulation. We will consider this in more details later, but for now just to clear an important point:

I am convinced that 80-90% of the confusion about the question about the timing of the Rapture could be cleared out simply by realizing that it is in fact the exactly same event as the First Resurrection - **ho protos anastasis (ὁ πρῶτος ἀνάστασις)**.

I personally have changed my view of the timing of the Rapture the last 7-8 years after more than 20 years of confusion, because that's how I was thought traditionally in my church – Pre-Tribulation Rapture.

We also have mentioned here **the second death**, which would have NO power over the individuals who would participate in **the first resurrection** (*ho protos anastasis*) which suggests that there's a first death also, which is physical while the second death would be the destiny of the damned souls for eternity in hell – all those who are not born again under the New Covenant in Jesus.

From here comes the popular sentence:

If you are born once you will die twice, while if you're born twice you would die only once, (referring to the spiritual birth – to be born again from water and Spirit).

The main argument here is that **Revelation 20** is not just an isolated picture that is randomly put there in the timeline of the context but it is the culmination of the big crescendo from the previous **ch. 19** where we have the literal Second Coming of the Lord Jesus to the Earth.

This **ch. 19** is the point when the Bride of Christ will be ready to meet with her heavenly Bridegroom-King – this is fundamental.

Nobody could deny this contextual connection unless you choose to ignore this concept deliberately and slaughter the obvious meaning of this whole passage here by allegorizing it completely.

And by the way – chapters and verses in the Bible are late upgrade and are not inspired, so the logic of the story goes simply:

Jesus starts the breaking of the 7 seals of the apocalyptic scroll **in ch. 6**, and then follow 21 chronologically scheduled to happen events of the final sabbatical cycle (7-years):

- 6 + 1 seals,
- + 6 + 1 trumpets,
- + 6 + 1 bowls of wrath.

The last 7th final bowl in **ch. 19** is the Second Coming of the Lord to the Earth on a white horse and then we come up logically to **ch. 20** – His Millennial reign on earth. This is the skeleton structure of the events in the apocalyptic context – not that complicated really.

If you are not familiar in details with this Biblical concept of PRE-Millennialism these diagrams may help you understand it more clearly. What we can see in them:

- We have the First Advent or the First Coming of Jesus in the 1st century AD,

- and then His Second Coming with the First General Resurrection - **ho protos anastasis (ὁ πρῶτος ἀνάστασις)**

- Then comes the millennial kingdom - **chilioi etos (χίλιοι ἔτος),**

- and then the Second Final Resurrection and the Eternal Judgement at that final point of the divine history of the Creation.

So, we have the Old Testament Age for 4000 years since the Creation of the Universe or at least from its total refurbishing after the destruction caused by the fall of Lucifer into rebellion.

During these first 4000 years the kingdom of God had been prophetically announced in the scrolls of the Old Testament prophets;

And then comes the First Advent of the incarnation of the Son of God in human flesh with the establishing of the New Testament in the blood of Jesus about 2000 years ago – this was also the Betrothal (Ketubah) Covenant if you will.

Then, at this point we had the kingdom come to the Earth with the resurrection of our Lord/King Jesus and His Holy Spirit in us BUT, and this is the key point – but His kingdom is NOT HERE FULLY YET.

Yes, the Kingdom of God has already come but not at its full scale yet, because the King was generally rejected from His people Israel at His first coming and is currently in exile.

There is a Great Mystery here which a lot of imperial theologians are simply ignorant of, just like the Jewish community is.

So, at this initial phase the Kingdom of God will go on until Messiah's Second Coming with the First General Resurrection of the living and the dead covenant saints.

This will be fulfilled when the kingdom will be fully consummated in the still Future Age of Resurrection – the Millennium.

This future age will last for exactly 1000 years until the Second Resurrection and at that point (3030 AD) there will be the Final Judgement of all the rest of the souls – the righteous and the unrighteous altogether in front of the Great White Throne.

According to the calculations that I am presenting here – the Second Resurrection must happen in the year 3030 roughly.

And then comes the eternity without End and without land and sea when there will be no sin and no death anymore because righteousness will rule all over.

We can also deduce and confirm this PRE-Millennial concept from the different roles in ministry which the Lord Jesus plays during these three different epochs of Biblical time. That's how we see Him functioning in the scriptures - *Prophet, Priest and King*. These are the three Ha-Mashiach services in the Bible – the anointed ones – the chosen and appointed by God Himself for specific governing service:

- *The Prophet* for the first **4000 years** of the Old Testament Age, because He is found in the mystery of all the Old Testament scrolls;

- *The Priest* for the current **2000 years** in this present New-Testament Age, because He is the only-mediator between the sin-infested humanity and the Most-Holy Creator God through the curtain of His sinless flesh;

- and then comes the physical political *King* for **1000 years** in the Age that is to come – the Utopian Age of Resurrection;

- and then after *chilioi etos* (χίλιοι ἔτος) God will be finally all and in all.

You may again check the millennial charts which are based on this concept of the Kingdom come here already, but NOT fully yet.

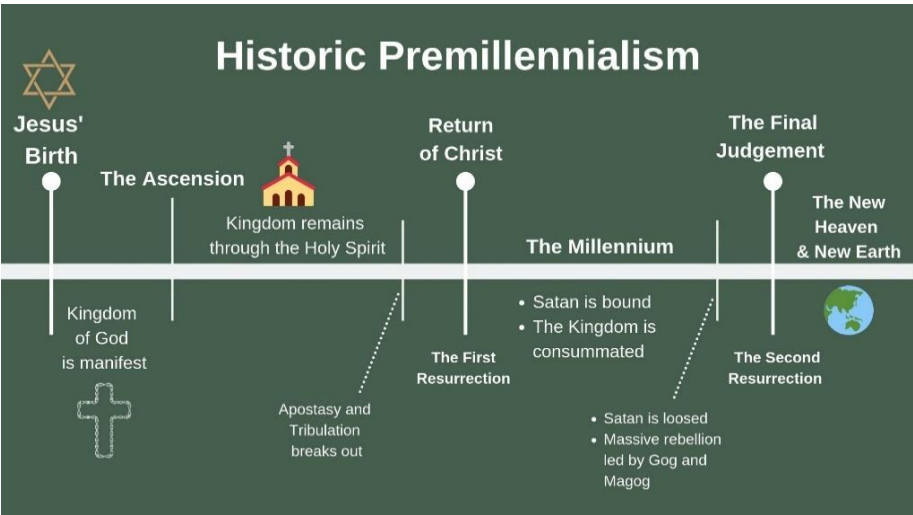

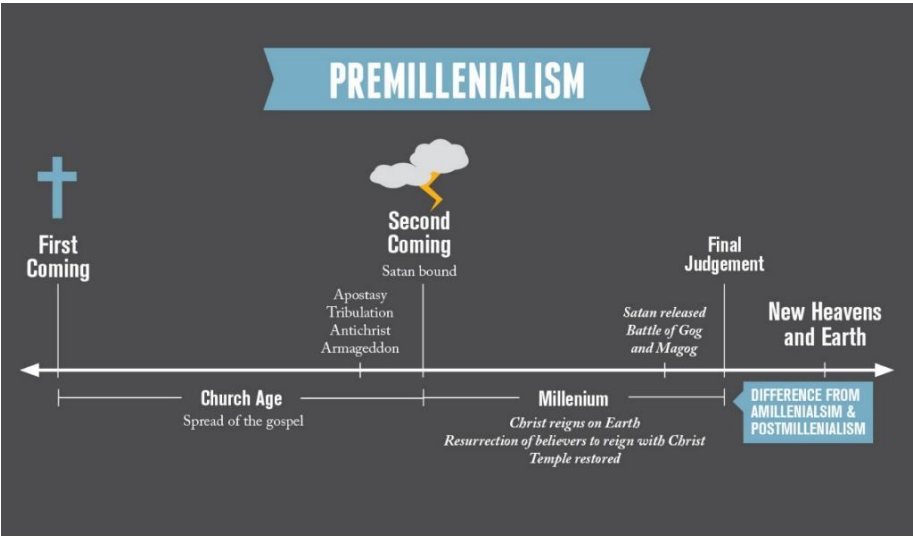

The same concept is also to be found clearly in **Hebrews ch. 1-2**, where we read about: *God's Supreme Revelation*

God, who at various times and in various ways spoke in time past (OT) to the fathers by the prophets, (so, this is the OT prophetic revelation) 2 has in these last days (this NT Era) spoken to us by His Son (talking about the last 2 millennial days of the NT), whom He has appointed heir of all things (still future), through whom also He made the worlds (that is Jesus the God/Son);

... 2:8: You have put all things in subjection under his feet." For in that He put all in subjection under him, He left nothing that is not put under him. But now we do not yet see all things put under him.

You see - the key word here is **BUT NOW** (not yet) because it will not be like this forever - that is: ... **He (that is God the Father) left nothing that is not put under him (that is Jesus – our Lord and God). But now (meaning in this present evil age) we do not yet see all things put under him (His kingdom come here already, but not fully yet). ...**

Messianic Judaism is also PRE-Millennial

But of that day and hour no one knows

I already know what you're thinking at this point and what you're going to tell me now:

There have been so many false prophets in history that tried to predict the day of the Second Coming – what's the point listening to another speculation at all?!

Well, I understand that the devil has already muddled the water just like in the famous Aesop's Fable *The Shepherd's Boy and the Wolf*. You know – that one about a shepherd boy who often lied by falsely claiming that a wolf was attacking his flock to get attention and amusement from the local farmers. Then, one day, a real wolf did appear and attacked the boy but the farmers wouldn't listen to his cries for help due to his past deceptions.

The moral of the story: *Nobody would believe a liar, even when he's telling the truth.*

But let's go to the scripture after all:

Wasn't it written somewhere **But of that day and hour no one knows?** Isn't it supposed to mean that we are NOT allowed scripturally to even speculate with predictions about the day and the hour of the Lord's return?

Therefore, we have no basis to fix the day and the hour of His Second Coming anyway.

Well, YES indeed, Jesus said that in **Matthew 24:36-37** and by the way I take His words here pretty much literally: *No One Knows the Day or Hour*

“But of that day and hour no one knows, not even the angels of heaven, but My Father only. 37 But as the days of Noah were, so also will the coming of the Son of Man be.

As you can see, the Lord makes a straight-forward parallel here between the events during the time of the flood of Noah and the prophetic history prior to His return.

We see in the story of Noah that he'd been building his ark for decades upon decades.

During all this time Noah didn't know about the specific day and hour on the calendar on which this devastating flood would come to the earth. Yes – Noah didn't know UNTIL the Lord revealed it to him exactly one week before the flood. This is specifically written in **Genesis 7:4: For after seven more days I will cause it to rain on the earth forty days and forty nights, and I will destroy from the face of the earth all living things that I have made.”**

Obviously, Noah had no idea about the specific day and hour of the coming of the destruction. He didn't know UNTIL God told him specifically when that would happen, but then at that point Noah knew the specific timing, and that was exactly one week in advance, right?

Most probably Noah needed this week for the final preparations of the Ark, the animals and the people in it.

We can take this biblical fact as a prototype and shadow of the way the things are prophetically scheduled to unfold during the time just before the return of our King to the earth at the final sabbatical period of this Era.

You see – **that day and hour** - that's pretty narrow time-frame really. Our Lord did not say anything about that month or that year of His return but that we would not be able to know about the specific day and hour of His return.

In fact, from my position in this presentation I cannot be sure even about the exact year – one year give or take, due to the lack of true Biblical calendar.

The contemporary Jewish calendar is based on fixed solar cycles starting in the fall around September - October, while the original Biblical calendar in **Leviticus 23** starts in the spring around March-April.

Besides, the Biblical calendar was based on lunar cycles only and needed a decision of the Jewish High Priest to adjust it every 2 or 3 years.

But the Jewish communities don't have that centralized authority now and that's why they reformed their calendar many centuries ago according to the solar cycle just like the Roman Julian calendar that we're using.

This makes the date-fixing so confusing that it is honest to say:

The Day and hour?! – Just forget it – nobody knows.

Therefore, all these calculations here indicate an approximate year- one year before or after 2030.

2 Peter 3:10 gives us a particular picture of the Second Coming: *The Day of the Lord*:

But the day of the Lord will come as a thief in the night, in which the heavens will pass away with a great noise, and the elements will melt with fervent heat; both the earth and the works that are in it will be burned up.

The same allegory about the Day of the Lord's return like a thief is also used in **Revelation 3:3: Remember therefore how you have received and heard; hold fast and repent. Therefore if you will not watch, I will come upon you as a thief, and you will not know what hour I will come upon you.**

Thieves are normally coming unexpected in the darkness of the night – that's the idea here.

If you are vigilant – let's say a security guard or watchman in the army, you're not supposed to sleep in the darkness of the night but keep the lights on and be watchful of potential danger. If you're caught surprisingly sleeping while on the night watch – this is a serious crime in the army and the punishment could be severe.

See how it is stated here: **if you will not watch - you will not know what hour I will come.**

What would be the logical conclusion of this statement? –

If you will watch – you will know what hour is the Second Coming, right?

The apostle Paul uses the exact same allegory **as a thief in the night** in **1 Thessalonians 5:1-5** to let us understand this concept of knowing the time and season of the Second Coming.

We - the disciples of the Lord's apostles, and the disciples of the disciples of the Lord's apostles are expected to know roughly about the approaching of the time and the season of Christ's Second coming: *The Day of the Lord*

But concerning the times and the seasons, brethren, you have no need that I should write to you. 2 For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. 3 For when they say, "Peace and safety!" then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. 4 But you, brethren, are not in darkness, so that this Day should overtake you as a thief. 5 You are all sons of light and sons of the day. We are not of the night nor of darkness.

You see, here in this context the apostle is establishing a contrast between two separate groups of people:

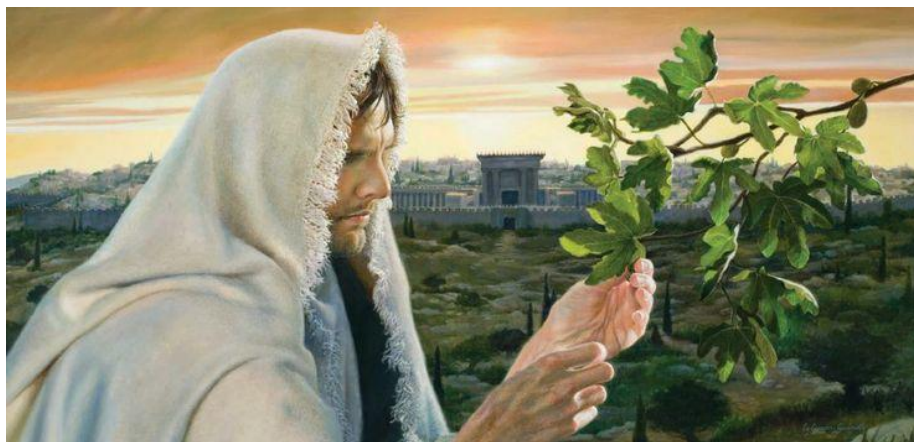

The first group is addressed as **them-they** – these would be the outsiders of the covenant - the unbelieving unregenerate souls, who wander in the darkness of sin and unrepentance, and for them the Second Coming will be surprising indeed just **like a thief in the night**,

4 But you, brethren, are not in darkness, so that this Day should overtake you as a thief. - you see? - The word **But** here suggests contrast – it means that WE - the Christians are sons of the day and sons of the light, and to us the prophetic times and seasons of the approaching of the Return of our King and the First General Resurrection will be revealed at least in some broad framework of time;

YES, we will not be able to know the specific **day and hour**, but the symptoms of the season of the Lord's return and the signs that precede the Day of the Lord – these will be clear to us, when the time is closely approaching.

Let us not be too quick to judge, lest we fall under the condemnation of **Proverbs 18:13: He who answers a matter before he hears it, It is folly and shame to him.** It means: we are acting in a stupid way if we provide an answer before we have heard the question.

THE NICENE CREED

I BELIEVE IN ONE GOD, THE FATHER ALMIGHTY, MAKER OF HEAVEN AND EARTH, OF ALL THINGS VISIBLE AND INVISIBLE. I BELIEVE IN ONE LORD JESUS CHRIST, THE ONLY BEGOTTEN SON OF GOD, BORN OF THE FATHER BEFORE ALL AGES. GOD FROM GOD, LIGHT FROM LIGHT, TRUE GOD FROM TRUE GOD, BEGOTTEN, NOT MADE, CONSUBSTANTIAL WITH THE FATHER; THROUGH HIM ALL THINGS WERE MADE. FOR US MEN AND FOR OUR SALVATION HE CAME DOWN FROM HEAVEN, AND BY THE HOLY SPIRIT WAS INCARNATE OF THE VIRGIN MARY, AND BECAME MAN. FOR OUR SAKE HE WAS CRUCIFIED UNDER PONTIUS PILATE, HE SUFFERED DEATH AND WAS BURIED, AND ROSE AGAIN ON THE THIRD DAY IN ACCORDANCE WITH THE SCRIPTURES. HE ASCENDED INTO HEAVEN AND IS SEATED AT THE RIGHT HAND OF THE FATHER. HE WILL COME AGAIN IN GLORY TO JUDGE THE LIVING AND THE DEAD AND HIS KINGDOM WILL HAVE NO END. I BELIEVE IN THE HOLY SPIRIT, THE LORD, THE GIVER OF LIFE, WHO PROCEEDS FROM THE FATHER AND THE SON, WHO WITH THE FATHER AND THE SON IS ADORED AND GLORIFIED, WHO HAS SPOKEN THROUGH THE PROPHETS. I BELIEVE IN ONE, HOLY, CATHOLIC AND APOSTOLIC CHURCH. I CONFESS ONE BAPTISM FOR THE FORGIVENESS OF SINS AND I LOOK FORWARD TO THE RESURRECTION OF THE DEAD AND THE LIFE OF THE WORLD TO COME. AMEN.

The Nicene Creed from 325 AD is the standard for the Christian doctrine of all times. If you consider yourself to be a Christian at all you must believe all the lines of this statement or else you are simply not.

For example, the mentioning of the name of the governor of the Roman province of Judea - Pontius Pilate gives historicity to the gospel narrative, hence you cannot allegorize it without establishing its literal meaning first.

The conclusive line of *The Nicene Creed* is:

I look for the resurrection of the dead, and the life of the age to come. Amen. – so, you cannot allegorize the belief in the Resurrection either – it is a must.

In fact **2 John 7** directly classifies the method of allegorizing of the coming of Jesus – both first and the second as a function of the spirit of antichrist: **For many deceivers have gone out into the world who do not confess Jesus Christ as coming in the flesh. This is a deceiver and an antichrist.** (notice the verb tense here).

The other obvious doctrinal statement that you are NOT allowed to allegorize from this document is about the still-future Second Coming of the Lord Jesus:

And He will come again with glory to judge the living and dead. His kingdom shall have no end.

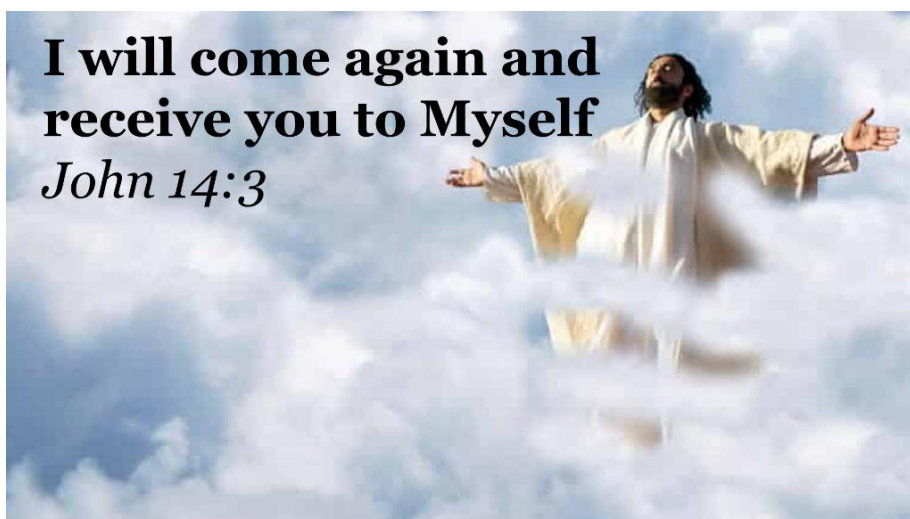

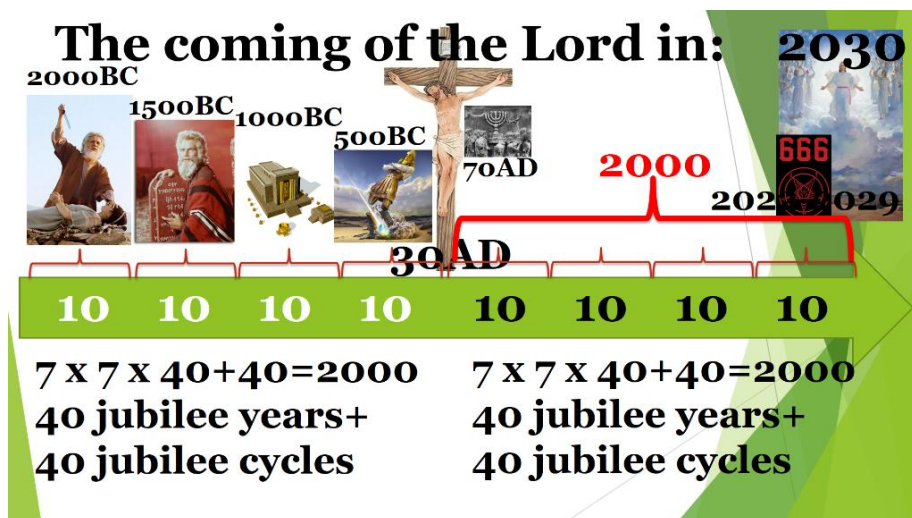

- - -

So, just for a start, let me present here the first out of 7 Biblical reasons on which I base my suggestion of fixing the year **2030** for the Day of the Lord and The End of this Age, which would be indeed **the resurrection of the dead, and the life of the age to come:**

of a Rich Man
Isaiah 53:9 |

In this section I will give you a hint of where I come from and what's the logic behind all this year-setting of the Second Coming in the Day of the Lord.

We will consider 12 parallels from more than 30 Biblical quotes that are based on the specific numbers **40 or 2000**, and we will take these as prototypes and shadows of the apocalyptic things to come in the Great Re-Set of the status quo of life as we know it.

These 12 (or more) parallels will give us a strong clue about the particular season and timing of the Lord's return to the earth around the year 2030.

So, by the end of this presentation we will see clearly how these allegories point out typologically to the next major event in prophetic calendar:

- The Second Coming of Jesus - the Day of the Lord,
- The Marriage supper of the Lamb of God with His Creation which is us - His bride – the church and
- The First Resurrection of the living and the dead souls at the Last Day which is the same prophetic event as the Rapture of the Church at the End of this Era and eventually
- The starting point of the Millennial Era of Resurrection of the reign of king Jesus I over the whole earth for 1000 years from the year 2030 until the year 3030 and then after that for eternity without End.

By the way, all these listed above are the same event, seen from different aspects but still the same concept, namely the Great Re-Set of the status quo of the universe and the New Beginning that follows after the End of this Age.

So, all these numerological details using the particular numbers 40 or 2000 would point out typologically and allegorically to the fulfilment of these 40 jubilees of 2000 years from the Betrothal until the Marriage of God in the Great Jubilee year 2030.

This would be what the apostles of Jesus asked Him in the beginning of the prophetic discourse from the Mount of Olives about the time of His Coming at the End of the Age:

The Signs of the Times and the End of the Age

Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, “Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age *ho sunteleia ho aiōn*?” (Matthew 24:3)

As you can check in the Greek dictionary about *ho sunteleia ho aiōn* (ὁ συντέλεια ὁ αἰὼν) - the word *aiōn* here could mean:

1. forever, an unbroken age, perpetuity of time, eternity, but its second meaning is

2. the worlds, universe,

so, it could be translated also as **The End of the World.**

But why 40 jubilees until the Day of the Lord?

Why particularly 40 after all?

Now if you Google-search the question:

What does number 40 mean in the Bible?

the first answer that would come up is:

In Sacred Scripture, the number “40” signifies new life, new growth, transformation, a change from one great task to another great task, etc. For example: The rain of the Great Flood – the Great Deluge – lasted 40 days and nights.

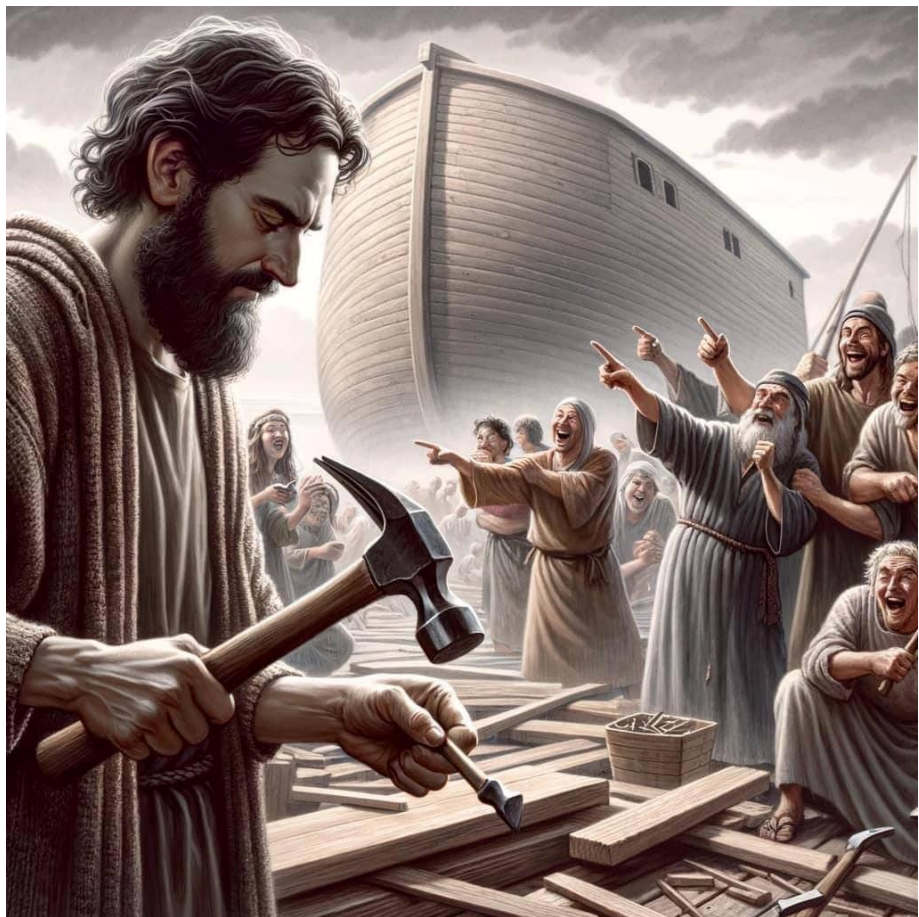

Well, this is surprisingly correct short answer from uncle Google, and now I will try to give you the longer answer to the same question.

40 days and nights of rain in the flood of Noah

... (God) did not spare the ancient world, but saved Noah, one of eight people, a preacher of righteousness, bringing in the flood on the world of the ungodly ... when once the Divine longsuffering waited in the days of Noah, while the ark was being prepared, in which a few, that is, eight souls, were saved through water. 21 There is also an antitype which now saves us — baptism (not the removal of the filth of the flesh, but the answer of a good conscience toward God), through the resurrection of Jesus Christ, ...(2 Peter 2:5 – 1 Peter 3:20-21)

Apocalyptic Prototype 4

40 days were spent by both Prophets Moses and Elijah at the top of Mount Sinai until they had an encounter and a revelation from the living God, and then after this period of 40 days again both these prophets came down from the same mountain with the Prophetic Words of the Covenant – the Logos

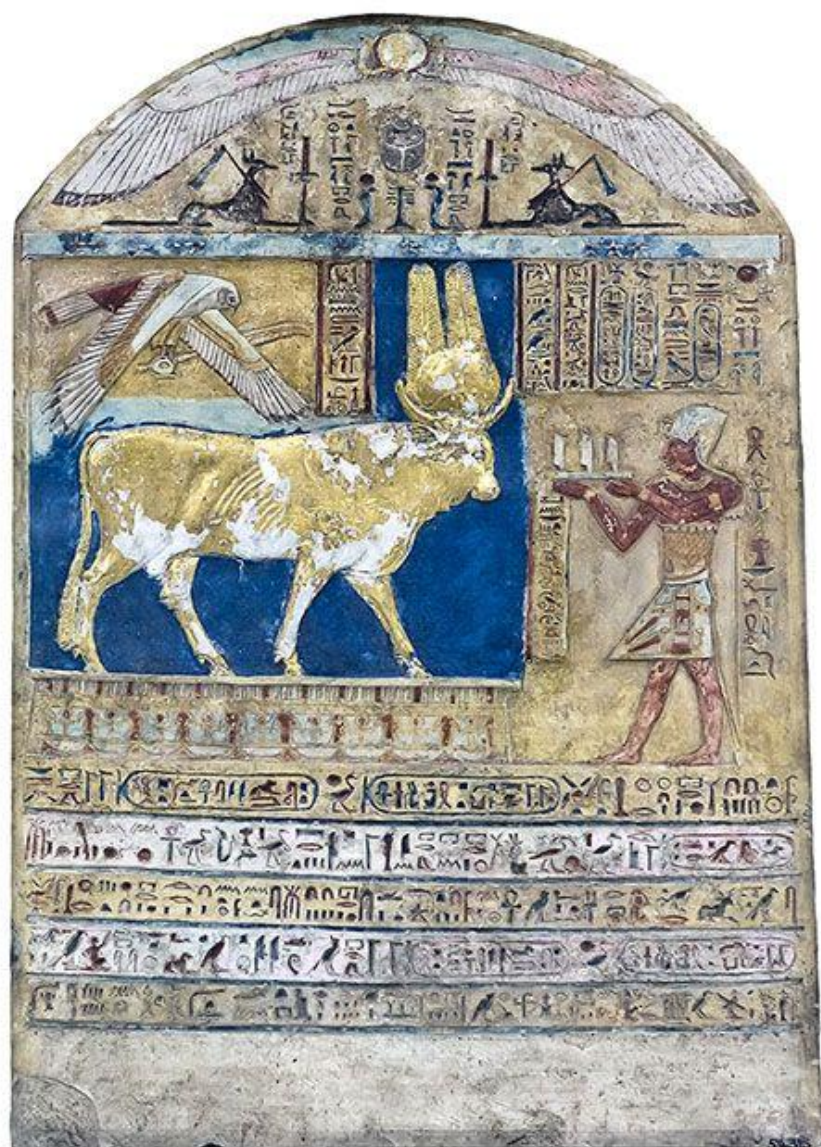

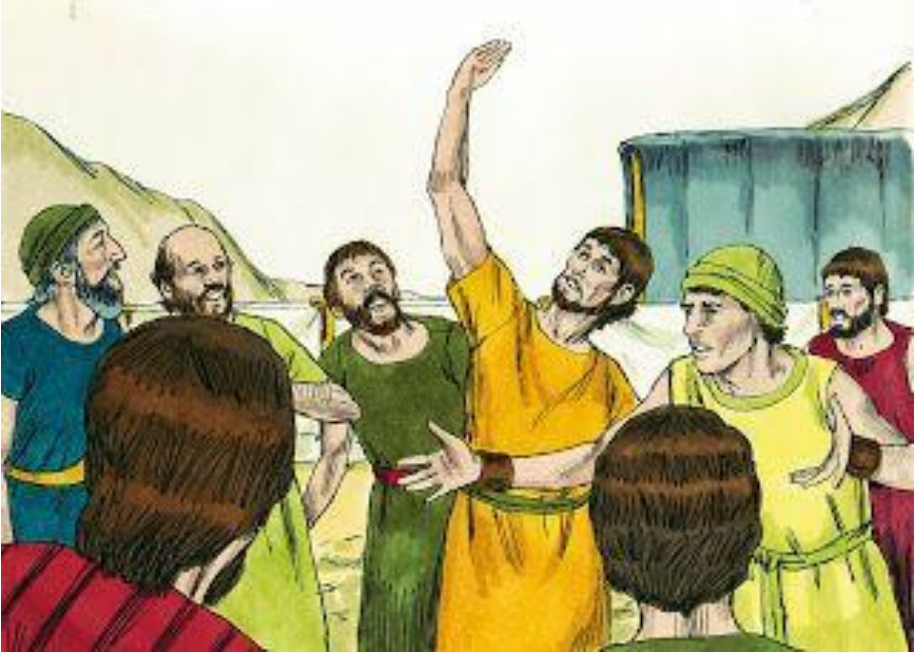

Apocalyptic Prototype 5:

For 40 days Israel explored the land of the covenant and then after their initial rejection they were punished to wander in the wilderness for 40 years – one year of punishment for each day of disobedience

For as soon as Zion was in labor, she gave birth to her children.

9 Shall I bring to the time of birth, and not cause delivery?” says the Lord. “Shall I who cause delivery shut up the womb?” says your God.

10 “Rejoice with Jerusalem, and be glad with her, all you who love her; Rejoice for joy with her, all you who mourn for her; 11 That you may feed and be satisfied with the consolation of her bosom, that you may drink deeply and be delighted with the abundance of her glory.”

12 For thus says the Lord:

“Behold, I will extend peace to her like a river, and the glory of the Gentiles like a flowing stream. Then you shall feed; on her sides shall you be carried, and be dandled on her knees. 13 As one whom his mother comforts, so I will comfort you; and you shall be comforted in Jerusalem.”

UN AGENDA 2030 OF THE NEW GLOBAL ORDER

CHAPTER 1

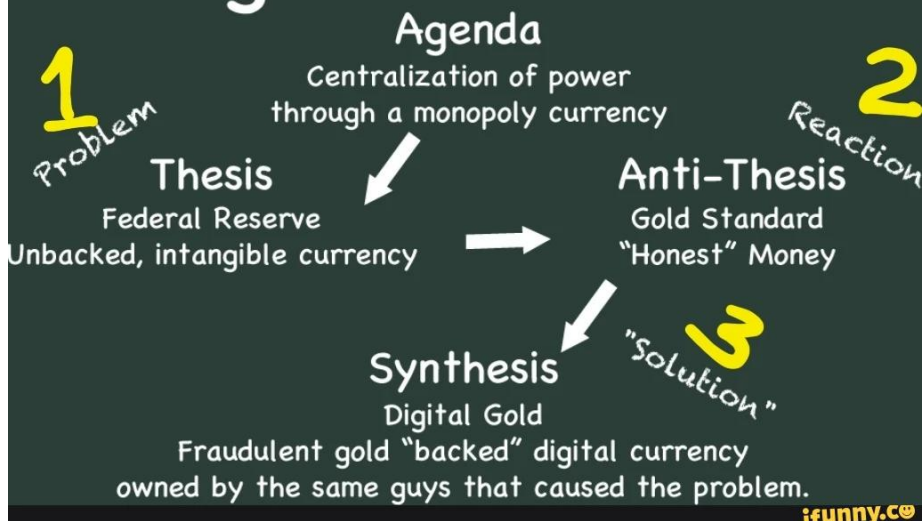

The NWO at the Final Shabath

... and as it is appointed for men to die once, but after this the judgment, so Christ was offered once to bear the sins of many. To those who eagerly wait for Him He will appear a second time, apart from sin, for salvation. (Hebrews 9:27-28)

I'll start with the bad news first:

The book of Revelation is giving us a very high percentage of death rate on earth at the End of the Era. Most likely about 80-90% of all of us who are reading the material in this presentation are going to die in the next 3-5 years.

Well, the good news is that by the end of this third decade of the 21st century we will all see with our own eyes the Return of our Lord Jesus Christ to the earth and the Resurrection from the dead.

That's what we're talking about in this presentation – the Second Coming of our Lord Jesus which is specifically mentioned here in **Hebrews 9**.

The Lord Himself said in **John 14:3: I will come again and receive you to Myself; that where I am, there you may be also.**

You see, this is a promise from our heavenly bridegroom - the only giver of life in the universe and He will not fail to fulfil it and He is never running late.

In fact, there is a specifically appointed timeframe for the Return of the Lord Jesus to the earth and it is only by the foreknowledge and predestination of God the Father Himself. It is His program.

The Second Coming of the Lord is mentioned in **1 Timothy 6:14-15** as the *epiphaneia* (ἐπιφάνεια - G2015): **... our Lord Jesus Christ's appearing (*epiphaneia*), 15 which He will manifest in His own time, He who is the blessed and only Potentate, the King of kings and Lord of lords.**

As we have already seen, all the Biblical proto-types and shadows in His Divine Word point out to the year 2030 in particular as the most probable timing of His Return.

Since this year 2030 is really close, we must get ready!

We must be prepared first of all spiritually, psychologically and why not even physically and materially as well?

- - -

Indeed, brothers and sisters, Ladies and gentlemen,

Our Lord Jesus is coming very soon to establish His New Era of divine history for humanity but also the Holy Scriptures reveal to us prophetically that just before this happens there will be a rise of a False New Age. This will be the New World Order (NWO) of the global totalitarian technocratic state with a phenomenally cruel and sinister dictator on the top of it.

This evil political regime will cause unprecedented sufferings to all human beings on the planet. This is the totalitarian regime of the Antichrist-Beast 666 – **the**

CHAPTER 4D. J. Trump & the Temple of the Antichrist

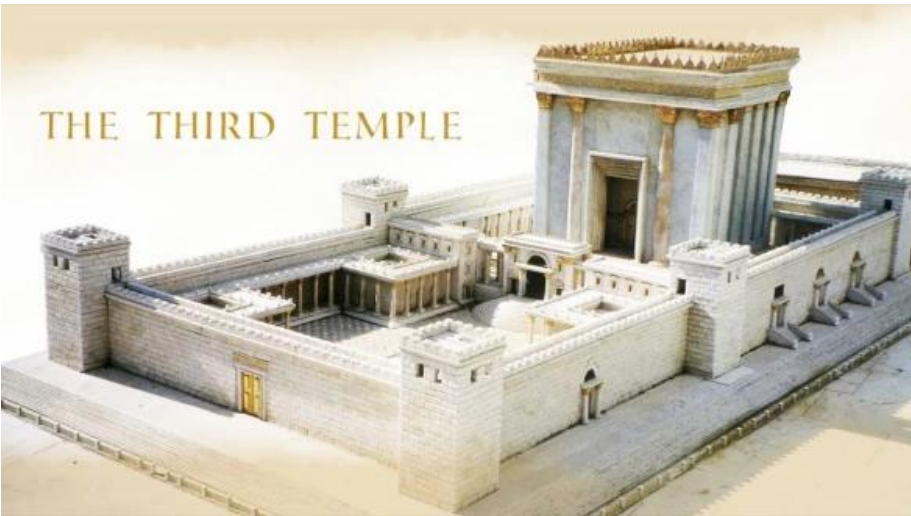

4+5=9
4+7=11

Revelation 9:11:
And they had as king over them the angel of the bottomless pit, whose name in Hebrew is Abaddon, but in Greek he has the name Apollyon.
mageuō / magos
(μαγεύω / μάγος) -
MAGICIAN

But what about president Trump?

Wouldn't he abolish all these efforts of the globalists and start a golden Era for USA and humanity – the good old days of freedom and prosperity?

Wouldn't he put all the PDF files in prison and stop all the corrupt practices of the political and banking sector – he promised that, right?

-Yah, right. The good old cop of the system would take care of all of us – why should you doubt that – don't worry. Last time he even promised to recruit the military so that nobody's left without a jab, remember – what a good ... cop!

OK, first of all we must answer correctly to one simple question and then build upon it:

Is D. J. Trump a real enemy of the so-called Deep State (the satanic illuminati conspiracy)? Is he destined to destroy it (kind of a messianic figure) or is he the last genius move and function of the very Deep State itself about which he pretends that he's fighting to? Kind of fifth column within the ranks of the opposition of the NOW p a controlled opposition?

Which one is he really?

Who is D. Trump working for and who does he belong to?, because he can't be both at the same time, can he?

And another interesting question in addition:

Is he going to back up and support the building of the Third Temple on the Temple Mount in Jerusalem as prophesied in the scriptures – the NAOS-Holy Place?

Even though we have already established, that the restoration of the Third Temple has nothing to do with our faith as New Testament Christian believers, it would still be considered as a prophetic sign of the time of the End.

7 Reasons for the Day of the Lord in 2030

In conclusion: This was just the 1st Reason out of 7, but this book has already become too big, so God willing I will write volume 2 with the rest of the 6 Reasons if I got time and opportunity at all. If not, I will try to update video presentations on *GodIsLightMinistry.com* and on my YouTube and Rumble channel until these platforms are available at all.

But if not – God help us!

Just to summarize briefly my plan for volume 2, so that you could do your own research in case I don't get any more opportunity to publish the rest of this presentation:

Reason 2 of 7 for the Day of the Lord in 2030:

280 sabbatical cycles from the Betrothal to the Marriage of the Lamb. Here we will consider many facts from recent history that happened specifically on the sabbatical year which prove the relevance of the sabbatical cycles up today.

Reason 3 of 7 for the Day of the Lord in 2030:

6 + 1 millennial days of the history of Salvation. We will consider many quotes from *the Book of Jubilees* and the early church fathers who stated clearly their belief in 6000 years of human history until the Shabath Day of the Lord.

Reason 4 of 7 for the Day of the Lord in 2030:

The last genea-generation (82 years) born around the prophetic miracle of the Re-Born Fig Tree-Israel (Southern Judah 70 AD – 1948 AD)

Reason 5 of 7 for the Day of the Lord in 2030:

UN Agenda 2030 – NWO conspiracy, no theory.

Reason 6 of 7 for the Day of the Lord in 2030:

*What is the name and title of the Apocalyptic Antichrist Beast 666 from the sea and the false prophetic beast from the Land (**Revelation 13**) – their connection with the church, their secret occult societies and 1/3 territory of the planet?*

Reason 7 of 7 for the Day of the Lord in 2030:

Don't take the fatal mark of the Beast 666 because there's no reverse, so you go to hell for eternity with no End!
